# CONTINUOUS ENROLLMENT

Taking our cue from colleges and other Christian schools nationwide, Delmarva Christian Schools uses a simple automatic re-enrollment model known as Continuous Enrollment.

The philosophy at DCS is that once a student is enrolled, they are continuously enrolled and guaranteed placement every year until graduation. In the event family plans change, an opt-out procedure is available.

\* The term “existing DCS families” refers to DCS families who have students already enrolled at DCS in the current school year.
